A GREAT AND FREE OPPORTUNITY FOR OWNERS, DIRECTORS AND SENIOR STAFF OF NURSERIES.

This will be our twenty-seventh speed-dating and networking event, to be held over 24 hours called NMT Nursery Agenda, organised by NMT magazine. It will take place on the 23 May 2019. It will offer nursery owners, directors and senior managers of nurseries and organisations providing products and services to the sector the opportunity to meet and decide whether they wish to do business together. It will be take place at the the Park Royal Hotel, Stretton, Cheshire.

Effective, efficient use of time

“We all live incredibly busy lives”, says Dr Richard Hawkins, Editor-in-Chief of NMT magazine, “and have to fit in as much as possible into our working lives. This concept is so good because it is such an effective and efficient use of our time.”

Park Royal Hotel – about our venue

QHotels is proud to present our four-star hotel nestled in the heart of the Cheshire countryside. Parts of The Park Royal Hotel were built in 1831, as a vicarage to St Matthew's Church that can be found close by.

Our hotel strikes a great balance between traditional and contemporary features, making it the ideal place to stay when exploring the surrounding areas of Chester, Manchester and Liverpool. We have 146 beautifully modern bedrooms to choose from, as well as a fantastic on-site spa and leisure facilities.

The Park Royal is also an excellent choice for business guests too. Our on-site events centre features 15 conference and meeting rooms and can host up to 400 people.

We also have two dining options at the hotel, meaning there's plenty of choice. The Topiary in the Park and the Lounge Bar make ideal spaces to unwind after a day spent exploring. The Park Royal is also proud to announce we have been awarded the tag of 'Highly Commended' in the Hotel of the Year category at the Marketing Cheshire Awards!

What nursery personnel should attend?

Owners, directors, operations directors and senior management will benefit most from the opportunity to meet with leading suppliers to the sector, network with colleagues and join the high level conference session.

THE FOLLOWING IS OFFERED ON A COMPLIMENTARY BASIS

Pre-arranged, focused meetings

A key feature of NMT Nursery Agenda is the prearranged nursery provider/supplier meetings lasting 15 minutes, which will all take place in a single large meeting area. The suppliers stay fixed at their tables/locations while the nursery owners, directors, OPS directors and senior management circulate between them. Each provider commits to a minimum of 10 meetings over the course of the day each lasting 15 minutes. These meetings offer owners, directors and senior executives a variety of opportunities to meet their requirements:

THE FOLLOWING IS OFFERED ON A COMPLIMENTARY BASIS

- **to discuss their requirements with those best able to supply them.**
Before the event nursery providers are offered the chance to indicate which suppliers and operational areas they are interested in and the organisers do their very best to satisfy their requirements and interests. This model has proved to be highly beneficial to both parties in other sectors. The meetings can be followed up at a later stage if a mutual interest is identified, and often lay the foundation for future trading relationships.
- **to learn about new products and services** which may help them run their nurseries better.
- **to meet suppliers who may be able to offer them a superior service** to the one they are receiving from their current suppliers
- **to learn about services and products which may be able to save them money** while maintaining or improving the service provided.

INFORMED, INTERACTIVE CONFERENCE SESSION

Later in the day there is an opportunity to attend a conference session with a keynote sector speaker which will offer participants informed comment on current issues and the chance to take part in interactive discussion.

PLENTY OF NETWORKING AND LEISURE OPPORTUNITIES

NMT Nursery Agenda offers plenty of informal networking opportunities including a buffet lunch, and a Drinks Reception followed by the Summit Dinner. There are many comfortable areas where informal meetings can take place and tea, coffee and fruit juice will be available throughout the event. IN SUMMARY: WHY SHOULD YOU ATTEND NMT NURSERY AGENDA?

- Despite the many technological communications changes that have taken place in recent years, meeting face to face with the right people is still the most effective means of communicating and doing business.
- If you are a nursery director, owner or senior executive or a supplier of products and services to the nursery sector, NMT Nursery Agenda will enable you to meet in a convenient luxury location and do business at formal 15 minute meetings
- If you are a nursery director, owner or senior executive and are looking to source the latest and most cost effective products and services for your nursery(ies) NMT Nursery Agenda is an ideal way to meet many suppliers quickly and conveniently
- Buyers and sellers will have the opportunity to meet informally and network. For many this is a more effective forum than trade exhibitions, which rarely attract the senior executives and group owners who are shaping the sector's future.
- NMT have also made a conscious decision to run the meeting at an early time of year and at a convenient venue which will not take several days out of everyone's packed diary.

ABOUT THE ORGANISERS
